About Key Largo

Discover the Key Largo plan by RockWell Homes, a beautifully designed 3-bedroom new construction home in Florida that combines modern style, everyday comfort, and energy-efficient living. With a spacious two-story layout, upgraded finishes, and thoughtfully designed living spaces, the Key Largo is ideal for families looking for a new home in Florida. The inviting exterior features a covered front patio, an elegant 8-foot front door, and a covered backyard lanai—perfect for relaxing or entertaining while enjoying Florida’s indoor-outdoor lifestyle. Inside, the chef-inspired kitchen is the centerpiece of the first floor. It features a large eat-in island, stainless steel range, oven, microwave, and dishwasher, plus an undermount sink with a Delta faucet. Also features ceramic tile backsplash, upgraded 42-inch cabinetry, solid surface countertops, and a huge walk-in pantry provide plenty of style, storage, and workspace. Upgraded porcelain tile flooring throughout the ...
