About Alexander - 60 Ft Home Site

The Alexander new home plan by RockWell Homes located on over-sized 60-foot-wide home site epitomizes luxury and functionality, featuring 5 bedrooms, 4.5 bathrooms, a dining room, home office, gameroom, and an optional media room, all complemented by a 3-car garage with wood garage doors. The elegant exterior showcases a combination of brick and stone, metal roof accents, shutters, an 8-foot front door, and covered patios, creating a striking first impression. Upon entering, the foyer with soaring ceilings leads to the open metal stair railing staircase, a versatile home office and a formal dining area, which then flows into the expansive open-concept living and kitchen space. The kitchen is a chef's dream, boasting a large island with seating area at the bar-top, solid surface luxury countertops, GE stainless steel appliances, including a built-in gas cooktop, oven, microwave, and dishwasher.
